

THIS WAS SENT FROM A NOTIFICATION-ONLY ADDRESS THAT CANNOT ACCEPT INCOMING MAIL.  
For help please contact the instructor at the email address provided on the  
"Announcements" page of the course website. The assignment checker DOES NOT GRADE your  
submissions but merely reports on issues so you can correct them and resubmit, thereby  
avoiding unnecessary credit loss. ALL GRADING IS DONE MANUALLY BY THE INSTRUCTOR after  
the assignment deadline based solely upon the NEWEST submission of each exercise. BE  
WARE of correcting minor issues after the deadline since a late deduction will usually  
be much greater than a minor issue deduction.

The results of your exercise submission follow...
